EDUCATIONAL CONTENT PILLAR

The Educational pillar consists of content designed to **enhance the reader's knowledge** of Business Analysis and **provide valuable insights.**

Template Examples:

- "Here are 5 tips to prepare for the CBAP certification:"
- "The recent Global State of Business Analysis by IIBA showed that..."
- "#PestelAnalysis is a tool that helps identify external factors that could impact a business...read more:"
- "A recent blog post from IIBA's Analyst Catalyst discusses the five ways you can gain analysis experience:"

Thought leadership, trends, tools, techniques, tips, best practices, latest research and more

PROMOTIONAL CONTENT PILLAR

The Promotional pillar focuses on content such as promoting chapter events, study groups, webinars, certifications, membership and more.

Template Examples:

- “Our upcoming webinar talks about X topic. What do you think about X topic? Join us in discussing this, on our upcoming
- webinar: <insert link>”
- “Are you preparing for the Agile Analysis certification? You don’t have to do it alone! Join our chapter study group on X date
- X time...”
- “Join IIBA and open doors to endless business analysis resources! Find out what the East TN Chapter has to offer...”

Keep this pillar as interesting and engaging as possible!

ENGAGEMENT CONTENT PILLAR

The Engagement pillar consists of content that's **light-hearted and engaging.**

Examples:

- Memes
- Jokes
- Quizzes
- Polls
- Open-ended questions

Design with the intent to generate responses from the audience :)

COMMUNITY CONTENT PILLAR

The Community pillar consists of content that **celebrates** achievements, shouts out volunteers, recognizes Chapter milestones and delivers member testimonials.

Our Chapter supports professional growth through:

- Events
- Networking
- Mentorship

A celebration of the IIBA community 🎉

TONE OF VOICE

Our tone of voice is the way in which we write and speak about IIBA, informed by our personality.

HUMAN - We are personable.

Use a member-first perspective
i.e., you, we us, etc.

Open - We are approachable and easy to understand.

We avoid unnecessary jargon and rhetoric.

Professional - We are knowledgeable and collaborative.

We are committed to quality.

Expertise - We provide relevant and leading-edge info.

We encourage knowledge sharing and celebrate the successes of our members.

TYPOGRAPHY

Roboto Condensed use primarily for headings and graphics.
